ANNUAL REPORT
OF THE
Board of Education,
OF THE
TOWN OF DANVILLE.

NORTH SCHOOL.

Miss Flora Gordon taught the first term of this school to the entire satisfaction of the committee. The second and third terms were in charge of Miss Maud Harrison of Wilton, who, taking up the work where Miss Gordon left it, carried it along to a successful ending.

CENTRE SCHOOL.

This school, as for a number years before, was in charge of Miss Henrietta Peaslee, and anything in praise by your committee would seem to be a waste of words. Suffice it to say that it has kept its former high standard.

SOUTH SCHOOL.

The first term of this school was taught by Miss Anna Bartlett of Hampstead with good satisfaction to the committee, but previous to the opening of the next term her resignation was received and

accepted. The services of Miss Lida Crawford of Chester were secured for the remainder of the year and your committee consider themselves peculiarly fortunate in their choice, for Miss Crawford obtained the love and respect of her pupils from the beginning. Consequently good order was maintained, and considering the size of the school, excellent progress made in the several studies.
